Hello Everyone!

Boy did you miss out on a great outing at Squawfish. We put the Dredge in the water and went for it. Gold was found by all who took the time to dig or dredge. You will note the picture of the Dredge setting in the little pond. Well it isn't so little now.

We have plenty of tables at this time for the outdoor show. At least 18 spots are left and we may be able to move things around if need be.

Please note the Armadillo Mining Shop add on page #3. They are working hard to help the miners beat the illegal laws and rules being forced up on us.
