JULY

Club Members:

I am happy to announce we have moved back to the NORTH BEND SENIOR CENTER. Meeting will still start about 7pm! Not before! I'm really hoping to see a lot of our members return to the meetings. We have missed you **ALL!**

What a wonderful outing! I'm happy to announce that we found real good gold! My take for the Common Dig was .15 gram. Doesn't sound like a lot, but it's good for me. After everyone got a good share of the Concentrates we had some left over. I'm sorry to say I didn't find the nice picker in my cut. Note the picture of pickers on page two. The picker in the Concentrates was a good size larger. I will be auctioning these bags of Concentrates at the meeting giving some a chance to get the nugget. Service for Bob Baldwin "Bullet Bob" will be held at the Senior Center on September 20th from 1 to 3 PM.

I would like to thank Calvin and Kim Chamley for the wonderful meat provided for the outing. We also had roasted Corn and plenty of other goodies. WOW what a feed.

I am thinking of doing a Petition to help protect the miners. It will take a lot of Club effort to accomplish. Coos County shouldn't be too much of a problem. however we also need to look at the other Counties in South Western Oregon. The petitions will be two fold. 1: Ask the County Commissioners to help protect our mining rights by declaring any action taken by any agency other than County Sheriff is unlawful and will not be prosecuted within the County Court System. 2: Place on the ballot a Constitutional Change Mandating that only those laws passed by Congress or State Legislators can or will be enforced. That the use of "The Emergency Clause" is un-constitutional and must be removed from all past and future Bill's.
