Hello Everyone!

Island Park / Barbara Mary Claim Outing was a lot of fun. We had one guest from Douglas County Prospectors Scotty Hubbard who I think really enjoyed himself with the group. We had a goodly amount of concentrates, so we are once more bringing some to the meeting. Three members of the dredge crew each got a nice piece of Gold along with a gallon bag of concentrates. Had it not been for the Bees and Flies at Island Park it would have really been special. Donna had a birthday Saturday receiving a few gifts and a chocolate cake.

Use caution if you are going up to Barbara Mary Claim. They are preparing the road for logging. So there is a lot of traffic. CB channel #17 is being used from the bridge to the logging sight. Our next over night outing is at 6's River which is the family outing. Really hope to see lots of families there.

I have now paid the building rent for the North Bend Community Center. Which means we are now dedicated to doing the outdoor show. We will need to make signs and get them out and about real soon. So if you have some plywood that would make a good sign. Think about making one.
