I am happy to announce that North Bend Prospectors are the proud owners of "THE LOST MIND" Claim. ORMC # 176041. However as of October 18th I have just 90 days to complete the papers. This will consist of map showing corner post locations and Posting the Mining Claim.

I will get to work and develop a Map for the Road and Location. Still need to get a gate key from US Forestry. That could be interesting. We will need to spend some extended periods at "The Lost Mind Claim". If we get in and do some real work, we should be able to improve things enough for most members to get on sight and at least get to enjoy paying and such should they wish to. Some of you may wish to know why the fees have increased so much! Well it comes down to our Governor and State Legislators. Seems that we haven't been paying enough taxes and fees within the State of Oregon, so they have seen fit to attach a \$40.00 dollar per transaction. So, if you intend on doing say a building each permit from City, County, State and Federal costs the extra!

FROM PAGE 1

I'm hoping that 2019 is a good year for the Club! All members will need to get out and support Randy. We really need to work on membership and our outings! Yvonne and I have a ton of camping gear we wish to sell. Most of it is in very good condition as we only used it for a short period of time. I will be putting a list together. But for now, know that we have tents, cots, air mattresses and more! Even have one of the Cabela's Kitchen for use under a Pop-up!
Been a Great Ride, But need a Brake!
