## The Rocker Box by Bullet Bob, "the Prez"

Greetings Gold Getters,

Our Gold Show is getting closer. This letter and the March meeting is the last time we get to talk about it before it is upon us. The "helpers" clipboards came back to me at the last meeting and most of the lists have an ample number of names. We still need some night time security people. Hopefully, we can get that one looking better at this meeting.

I was proud of us last week, when the big list of non-profit clubs that were going to receive Tribal money came out, and we weren't on it. Except for the help we get from Farr's (Thank you Jim) we pretty much get our money the old fashion way. In these hard times, that says a lot about you guys and gals and a lot about our club. We are taking care of business, finding some gold, helping others and having a good time. It don't get much better than that!

We have set the date for the Christmas party. The same as last year, **DECEMBER 9TH**, so with that on the wall, it is a guaranteed good time.

Randy Water's trial is on-off again. The way they have been jacking him around, I believe they don't have a case and hopefully, the whole thing falls apart on them before it's over.

Last month's Rubber Duck outing went better than planned. We had some rain, but 26 of us showed up. Found some gold, some friends, ate some beans and dogs and had a pretty fair time, despite the marginal weather.

This month's outing, is just north of Gold Beach a few miles. It's a state park, Nesika Beach. I will draw a map and it will be in the newsletter somewhere. Pretty much a gold panning, rocker box situation. I'm not sure if there's enough flow for sluices, but it's a good place to concentrate black sand and take it home for later. We'll be cooking dogs or burning burgers and will supply the drinks and chips. Bring a dish of something good to share, hope for good weather and a great time.

See you at the clubhouse,

Your Prez,

Bullet Bob
